

UTS AMBASSADORS

All Participating organizations are invited to select two ambassadors & we will showcase their stories encouraging a sense of leadership, responsibility and community.

Ambassadors will be invited to empower youth towards keeping active and healthy by filming a 1-minute video explaining:

- ✓ Name
- ✓ Country
- ✓ Organization
- ✓ Sport
- ✓ Values

Ambassadors will represent the Olympic, Paralympic and Special Olympics values.

The videos will be presented on the festival virtual arena and viewed by the international sport public and beyond.

Ambassadors are also invited to encourage their peers and youth to get active through their own social media, as well as join the united call to action for more inclusion.

Please send all videos **BEFORE 30 October** to:

 Admin@unitedthroughsports.com
